ON THE TRAIL

AUGUST 2010 -- SKIP PARKEY, GANG BOSS

Boss Talk... July was a slow month but that doesn't mean we have not been busy getting ready for an exciting second half of 2010! We have two feeds at the end of August, and we will need all the help we can muster! Also, a barn cleanup has been set for the weekend of August 28-29.

Labor Day weekend has the annual Cibolo Creek feed on the calendar Sept. 3-6. Call Jerry Hensley for more information at 634-5740. There are many spots available.

The Permian Basin Fair and Expo is slated September 10-18, so be aware that we will need all hands on deck afterwards to get ready for the Oil Show in October.

See ya'll down the trail.
