Thanks to all of you guys, things are going so very smooth and productive. A special thanks needs to go to Les Williams for his diligent work in the man power position. It makes all the difference in the world when we can rest assured that we will have the people there. The golf tournament is coming up May 20 and we need everyone to try to sell raffle tickets between now and then for the golf clubs, rifle, and Cowboy tickets to help our financial. Get with Randy Garner who has worked hard to arrange all this while trying to do his Special Olympics.

Parker House and Credit Union went flawlessly and impressively. Thanks to all the great participation. Sorry for my lack of physical help due to my hand surgery, but it should be better for the St. Johns feed or soon there after. Hope to see you all for that feed, although I know it's hard to get free in the middle of the day.

I would like to schedule a wife sanctioned party with food and cocktails sometime soon if you guys have any ideas on timing, etc. We could pool ideas and get together to just have some fun...let me know. Thanks for everything and if anyone has ideas about anything or complaints call Steve Hurt.

See ya'll down the trail.
